

BLAST OUT OF YOUR COMFORT ZONE!

2019 Groton Public Library Adult Summer Reading Challenge

Explore a galaxy of reading genres this summer.

BLAST OUT OF YOUR COMFORT ZONE!

- Imagine the SUN represents the “Summer Reader in you.” Take a good look at the attached list of genre stickers. Which of these is your go-to/favorite one? Put its corresponding sticker in the box under Mercury (closest to the sun.)
- Now it’s time to rename the other planets in order of how far each genre is from of your comfort zone. Place the corresponding stickers on your galaxy sheet and off you go!
- Please read 1 book from each “planet”. For instance, if you’ve never read a graphic novel it may feel very foreign to you. Label the outermost planet as “Graphic Novel” and explore it anyway! We’re happy to help with your search.
- Complete the challenge by August 23, 2019 and return it for a \$10.00 gift card to Barnes and Noble and have a Project Night Night Book Bag donated in your name.
