REPORT AND APPEAL TO THE COMMUNITY

Groton Residents Appreciate Their Library and All the Endowment Makes Possible

Our early 2024 town-wide survey revealed residents’ deep appreciation for their library, especially for the Children’s Department, Library Staff, materials, and services, many of which are vitally enhanced by the GPL Endowment Trust.

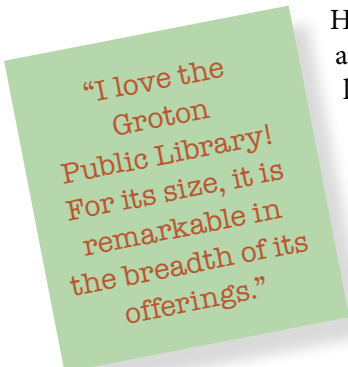

Survey Says

Top Three Reasons for Using the Library:

1. Borrowing Traditional Materials (88%)
2. Attending Programs (48%)
3. Borrowing Non-Traditional Items (35%), Including Endowment-funded Museum Passes

Half of the over 900 survey respondents reported that attending a program was a top reason for using the library. In FY2024, the Endowment funded 90% of all library programs and program support. Because of the community’s support and generosity, the Board’s wise fiscal management, and the fantastic library team, GPL can offer a robust and engaging program schedule beyond what a town library of our size could otherwise provide.

Dear Neighbor,

The Heart of Groton: Since 1998, the GPL Endowment Trust has ensured that the library remains a vibrant hub of learning, discovery, and connection—all thanks to your support.

Financial Performance

Thanks in part to your donations, the GPL Endowment Trust’s net assets grew by 12.78% to \$4.2 million. This strong performance allows us to continue investing in the library’s future.

Grants and Expenditures

In FY2024, we provided over \$159,000 to support the library’s programs and services. This includes \$127,841 for ongoing initiatives and \$31,494 for one-time improvements.

Your Investment, Their Enrichment

Thanks to your generosity, the library offers a broader range of programs, services, and enhancements than would otherwise be possible. These help us enrich lives, foster lifelong learning, and bring our community together.

Together, let’s keep this vital resource thriving!

**Remembering
Al Stone,
GPL Endowment Trust's
Founding Member and
Board Chairman**

We are profoundly grateful to Al Stone for his critical support in helping to establish the GPL Endowment Trust. His tireless efforts and unwavering commitment were instrumental in establishing the foundation from 1996 to 1998 and helping it succeed as Chairman of the Board from 1998 to 2010. He was an extraordinary man, and his legacy will live on forever in his family, company, and every fortunate organization gifted with his generosity, expert leadership, and unparalleled philanthropy.

Mission Statement

The purpose of the Trust is to assist in maintaining the quality and excellence of the Groton Public Library by providing a means above and beyond the library's normal resources, assuring the continuation of the high standards achieved during the library's long history.

Income from the Trust will enhance, enrich, and supplement the funds available for the library's materials collection, programs, and other special needs.

This income shall not replace funds appropriated annually by the Town or other funds managed by the Town to support the library.

Our teens volunteer regularly, and our summer and winter reading program participation grows every year.
