Standing Committee and Liaison Reports

Budget and Finance

V. Abraham will set up a conference call with the Budget and Finance Committee, Trustee Chair, and the Building Envelope Engineers to review what will be presented at the July 10th Finance Committee meeting. She will also invite the Select Board to attend the July 10th meeting.

V. Abraham reported that the estate of Chris Christie is projecting that the library will receive a gift of \$19,000, which, when received, will be placed in the Gift Fund. A thank you note will be sent when the gift arrives.

V. Abraham reported that the library is on track to spend every cent of the operating budget by the fiscal year end and that the library received their annual gift of \$1,000 from Bemis Corporation. Half of this amount will go to children's programs and the other half will go to teen programs.

Building and Equipment

D. Zeiler and V. Abraham met with Steve and Lawrence from Platt Builders to discuss the changes that will be made to the Circulation Desk. Work on this project will begin in the fall.

Some new furniture has been ordered, including a curved bookshelf, two new study carrels, and a round table with four chairs on casters for the teen area to replace the café table, which will be used elsewhere.

Michelle Collette from the Commission on Accessibility did a walk through of the library for ADA compliance and discovered a few areas where the library should make improvements. These included insulating the pipes under the sinks in the bathrooms, removing the small book shelf from the second floor women's bathroom, and correcting one aisle between book shelves that is 35 inches instead of 36. be blue and not white and the staircase from the lower level needs additional handrails. A complete report will be forthcoming.

Policy, Personnel and Planning

We have a new children's library assistant starting in July. She will be working 8 hours per week on average. She also will be available to pick up additional hours, which will help with department coverage. V. Abraham also reported that Grace's last day as a shelver will be tomorrow, but there is no immediate rush to rehire for that position as one of the other shelvers is taking over those hours for now. We will advertise in July.

There was a discussion about capturing on video people coming into the library on July 3rd, traditionally one of the busiest days of the year. The Trustees had many privacy and logistics concerns about this request, and in the end decided not to go forward with this.

Other Reports

Endowment/Art Committee

D. Zeiler reported that the Endowment will fund two pieces of art. The first will be a reclaimed metal wall sculpture by Ray Ciemny for above the computers on the third level and the other will be a piece for the new teen space. The Art Committee met to discuss the proper size for the piece for the new teen space and based on their recommendation, the library will request an increase to fund a larger piece for that wall space.

The Summer Reading promotions are out and everyone is excited about the music theme for this summer. There were seventy-five people in attendance for the classical guitarist on June 9th.
